

CAMBRIDGE TEEN LEARNERS OF ENGLISH (TLE) PROGRAM

Recommended Ages: 12-117 years old
Available to closed groups year round

Have fun in the sun with GV Hawaii's dynamic Cambridge TLE Program!

The **Cambridge TLE Program** is a mix level course that combines communicative focused English lessons held on school campus with optional integrated daily fun activities. Students learn about our island home's unique culture, improve their English and make new friends during their stay in Hawaii.

Upon arrival, if this option is requested, our teens are welcomed into the home of one of our host families and made to feel part of their family during their stay. Scheduled English lessons begin at 1:20 pm and end at 5:00 pm, Monday through Friday, except holidays. In the mornings, students can join one of the exciting activities we have planned for them whether it is spending a day at the beach, learning the hula, hiking Diamond Head, or sailing on a Catamaran! Saturdays normally consist of a day long activity such as a tour around the island or spending a day at a water theme park. These activities give students a chance to interact in English with their classmates and make friends in a different environment. Sunday is a free day where students can relax!

Prior to arrival, students need to take an online pretest at:
