THROUGH GV HAWAII'S PATHWAYS!

GLOBAL VILLAGE HAWAII has pathway agreements with quality post-secondary institutions in Hawaii and throughout mainland USA. Students can receive counseling and assistance regarding university and college applications from our knowledgeable staff. We are also happy to coordinate with agents to create the best possible study plan for each individual student, and to assist with the communication process between agent/student and the college/university.

Preparing for University or College demands a high level of academic English. This involves developing a strong command of academic reading, note taking, and presentation skills, and of course, academic writing and research skills. Strengthen your academic readiness by getting a student visa and studying 25 lessons per week at GV Hawaii!
